SUMMARY

This bill would require state agencies preparing statistical data to provide a separate breakdown for the Antelope Valley.

SUMMARY OF AMENDMENTS

The March 8, 2005, amendment clarifies the geographical boundaries intended to represent the Antelope Valley as it applies to this bill's requirements and do not impact the department.

The implementation concerns identified in the previous analysis when introduced on February 3, 2005, still apply and are provided below.

EFFECTIVE/OPERATIVE DATE

This bill would be effective on January 1, 2006, and would apply to any reports prepared on and after that date.

IMPLEMENTATION CONSIDERATION

This bill uses the term “municipal level” that is undefined. The absence of a definition for this term may result in the bill being implemented in a manner unintended by the author. The department develops statistical data only to the county level and does not develop statistical data at the municipal level I. The term “municipal level” has been interpreted in previous legislation to mean “city level” data.
